Oh my gosh whatever, she's just a silly bitch
And it took me forever to finally realise it
I said I would get her but, mommy said ?forget her?
?Cos, baby you are better than this and fighting's for little kids?
Siiiiilly Girl, Why be such a mean girl?
Don?t be jell be reem, girl
Siiiiilly Girl, Thought you were a friend girl?
Thought you were my friend girl
Now that I've discovered she talks behind my back
Her hypocrisy uncovered, now what you got to say about that?
My friends said they'd get her but, I said no just let her
Cos? I know we are better than this and fighting's for little kids
Siiiiilly Girl, Why be such a mean girl?
Don?t be jell be reem, girl.

Siiiiilly Girl, Thought you were a friend girl?
Thought you were my friend girl
Siiiiilly Girl, Why be such a mean girl?
Don?t be jell be reem, girl.
Siiiiilly Girl, Thought you were a friend girl?
Thought you were my friend girl
I read in the paper, a little boy took his life
And on my news feed later, a young girl rests in paradise
When's it gonna stop this?
Laughing at what he wears and the colour of her hair
When's it gonna stop this?
Shade of his skin or the fact that he's not thin
When's it gonna stop this?
Bitching cos? she's wealthy and she don?t have a TV
When's it gonna stop this?
Hating cos he's gay or the straight guy's still a virgin, na
Siiiiilly Girl, Mean Girl
When's it gonna stop this?
Anonymous lies behind screens and shattering dreams of young teens
Siiiiilly girl, thought you were a friend girl, thought you were my friend girl?
