

Mainstay - Danger

tom:
Gb

If I go to the dark, You illuminate
 All the shadows that aren't there
 Running away is just a poor metaphor
 Because I'm never quite as far as I think

Danger, the way that she moves in your brain
 Without a face

Acordes

Ebm Gb B
 Patient You wait, even though I was wrong
 Ebm Gb B
 It's not the same

Db B Db B
 Looking weak never had more appeal
 Db B Db B
 Bend the knee, stop this heart for a while
 Db B B
 Counting on the grace You give

Gb Ebm Db
 Just when I think that I'm alone I think about You more
 Gb Ebm B
 And the words You said are always ringing in my ears
