tom:

Intro: C F Am G

[Parte 1]

C
Heartbreak Saturday nights, getting ready
F
To make you see that I'm better already
Am
I put on every perfume
G
And I do it to hurt you, oh
C
Make sure I smell like your bedroom when I was in it
F
Wearing the dress that I met you in, sent you spinning
Am
And I flirt with your friends
G
But it's a beggar's revenge
F
'Cause she's with you again
G
And I try to look away

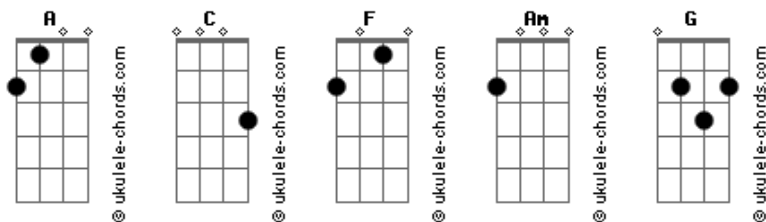

[Refrão]

C
'Cause in my head, in my head, in my head, in my head
F
I'm yours, and I should know better but I
Am
Can't forget, won't forget how it was before
G
Oh it felt forever, baby
C
We should still be holding on
G
I should still put on your coat
Am
And when the music dies out
F
You should still take me home
C
'Cause in my head, in my head, in my head, in my head
F G
I'm yours still

[Parte 2]

C
This dress too nice for a jacket, so I'm freezing
F
You're walking past and on habit, I lean in
Am
Close to your touch cause I still think we're an 'us'
G
I know I should give it up, oh

Acordes

C
Feels like half of me's missing
F
But there's no hope
F
You don't care who I'm kissing
C
When the lights go
Am G
Oh I know, I know that you don't
[Refrão]
