

# Major Lazer - Cold Water

Tom: G

Everybody gets high sometimes, you know  
 What else can we do when we're feeling low?  
 So take a deep breath and let it go  
 You shouldn't be drowning on your own

And if you feel you're sinking, I will jump right over  
 Into cold, cold water for you  
 And although time may take us to different places  
 I will still be patient with you  
 And I want you to know

I won't let go  
 I'll be your lifeline tonight  
 I won't let go  
 I'll be your lifeline tonight

Verse 2:  
 Cause we all get lost sometimes, you know?  
 It's how we learn, how we grow  
 And I wanna lay with you 'til I'm old  
 You shouldn't be fighting on your own

Pre-Chorus:  
 And if you feel you're sinking, I will jump right over  
 Into cold, cold water for you

And although time may take us to different places  
 I will still be patient with you  
 And I want you to know

Chorus:  
 I won't let go  
 I'll be your lifeline tonight  
 I won't let go  
 I'll be your lifeline tonight

Bridge:  
 Come on, come on  
 Standing on a rocking boat  
 I just wanna stay afloat  
 I'm all alone  
 Now, now, someone come and take me home  
 Someone come and take my soul  
 I need you to know

I won't let go  
 I'll be your lifeline tonight  
 I won't let go  
 I'll be your lifeline tonight

I won't let go  
 I won't let go
