

Major Lazer - Cold Water

```
Tom: G
 Everybody gets high sometimes, you know

G

C
 What else can we do when we're feeling low?
 So take a deep breath and let it go
 You shouldn't be drowning on your own
And if you feel you're sinking, I will jump right over

Em G D C
Into cold, cold water for you
           Em G
And although time may take us to different places
      Em G D C
I will still be patient with you % \left\{ 1,2,\ldots ,n\right\}
And I want you to know
            Em G D C
I won't let go
I'll be your lifeline tonight
