

Major Lazer - Lean On

Tom: G

m
Intro: Eb Gm

Do you recall, not long ago
We would walk on the sidewalk
Innocent, remember?
All we did was care for each other

But the night was warm
We were bold and young
All around the wind blows
We would only hold on to let go

Blow a kiss, fire a gun
We need someone to lean on
Blow a kiss, fire a gun
All we need is somebody to lean on 2x

Solo: Eb F Gm Bb

What will we when we get old?
Will we walk on the same road?

Will you be there by my side?
Standing strong as the waves roll over
When the nights are long
Longing for you to come home
All around the wind blows
We would only hold on to let go

Blow a kiss, fire a gun
We need someone to lean on
Blow a kiss, fire a gun
All we need is somebody to lean on 2x

All we need is somebody to lean on
All we need is somebody to lean on
All we need is somebody to lean on

Solo: Eb F Gm Bb
