

Mala e Cuia - Pandeiro Mineiro

Tom: F

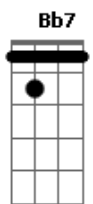

Eu fui dançar um forró em Minas Gerais
 Chegando lá olha o susto que eu tomei
 Eu vi um cara pendurado no pandeiro
 Parecendo um forrozeiro cheguei até duvidar
 Que esse cara tocasse forró ligeiro
 Convidei o sanfoneiro pra que pudesse mostrar

Ele me disse que o forró é brasileiro
 Que no nordeste tem pandeiro de montão
 E que não era só no Rio de Janeiro
 Que se tocava pandeiro, cavaquinho e violão
 Ele tocava até a alta madrugada
 Som daquela sanfonada, xaxado, côco e baião
 Ê, ê, xaxado, côco e baião
 Pandeiro não para não
