

# Malcolm Roberts - Love Is All

Tom: A

Yesterday, I knew the games to play  
 I thought I knew the way  
 Life was meant to be  
 And now there's you  
 My foolish games are through  
 Now at last I have found  
 Just what makes this old world turn around

[Refrão]

Love is all I have to give  
 Love is all as long as I shall live  
 (So) take it all and I'll always be there  
 When you call my name

I know now that love is all

Every night I long to hold you tight  
 Until the morning light  
 Shines into your eyes  
 Love me now  
 We'll get along somehow  
 Won't you please take my hand  
 And together forever we'll stand

[Refrão]

Love is all I have to give  
 Love is all as long as I shall live  
 (So) take it all and I'll always be there  
 When you call my name  
 I know now that love is all
