

# Malcolm Todd - Chest Pain (I Love)

tom:  
A

Am Bm B7  
My chest is hurting, my feet can't fall out of bed  
Em D C  
I don't know where to go, so I'll lay here instead  
Am Bm B7  
With my symptoms, symptoms of sorrow and dread  
Em D C  
They all said it would fade, but again and again

Am Bm B7  
I love, I love  
Em D C  
I love, I love, I love  
Am Bm B7 Em D C  
I love, I love, I love

Am Bm B7  
I've been so busy  
Em D  
But now that I'm alone  
C  
Where did you go?  
Am  
Tell me why  
Bm B7 Em D C  
Why can't you live at home tonight and stay with me inside?

Am Bm  
It's nice  
B7 Em D C  
Please, I wanna see what we would be if you were by my side  
C Am Bm  
Make me feel lonely, soon  
B7 Em D C  
You might not know me, I wish I could lie

D C  
But I can't deny

Am Bm B7  
My chest is hurting, my feet can't fall out of bed  
Em D C  
I don't know where to go, so I'll lay here instead  
Am Bm B7  
With my symptoms, symptoms of sorrow and dread  
Em D C  
They all said it would fade, but again and again

Am Bm B7  
I love, I love  
Em D C  
I love, I love, I love  
Am Bm B7 Em D C  
I love, I love, I love

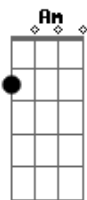

Am Bm B7  
I'm hurting, I'm stuck in my bed  
Em D C  
I don't know where to go, so I'll lay here instead  
Am Bm B7  
With my symptoms, symptoms of sorrow and dread  
Em D C  
They all said it would fade, but again and again

Am Bm B7  
I love, I love  
Em D C  
I love, I love, I love  
Am Bm B7 Em D C  
I love, I love, I love
