

Malcolm Todd - Hesitating

tom:

F

Babe, give me up before

Then you don't wanna talk about it

Wait, now do I want you more?

Girl, my girl

Wrongfully hesitating, I swear I would never wait

It's just hard for me everyday

When I don't know your

Thoughts cause you never told me

While she was my one and only

I want it all

I want (Ooh)

I wanna try, but I don't know what I could ever say

When you won't even go to mine

Though if you called me up I'd stay

For you (ooh, ooh)

No I don't wanna be the guy to give her everything she likes

Until he's blue (ooh, ooh, ooh)

But if you go and try it

I might have to cross the line and say

Babe, give me up before

Then you don't wanna talk about it

Wait, now do I want you more?

Girl, my girl

Wrongfully hesitating, I swear I would never wait

It's just hard for me everyday

When I don't know your

Thoughts cause you never told me

While she was my one and only

I want it all

I want (Ooh)

Wrongfully hesitating, I swear I would never wait

It's just hard for me everyday

When I don't know your

Thoughts cause you never told me

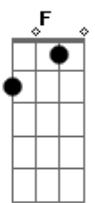

While she was my one and only

I want it all

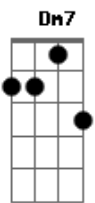

I want it all
