

Malcolm Todd - Roommates

tom:

C

Time is moving
 With situations I'm not choosing
 And we both wanna say "I'm sorry"
 For something that we cannot stop

C

You've been alright
 You're losing time for me and our fights
 So I'm done ridin' for you, baby
 Now this gon' be the last I got

 (**Dm7** **E7** **Am7** **A7**)

Dm7

I'm losing the person I was when I found you
Am I acting different when I'm not around you?
 I'm being dramatic, I say that I'm losing
 I wanna show you all the things I've been doing
 I'm going on dates and I'm hanging my head
 I wanna share an apartment, a room, and a bed

I wanna tell you I love you, but I cannot reach you
 I'm learning to lose, that's a thing they don't teach you

Dm7
 Can't take you home
 You have shown that you won't go
 So I'll go all by myself
 And when I try someone else

I'll still miss you
 I'll miss you
 Help m? through
 When I try someone ?lse I'll still miss you
 I'll miss you
 Help me through
 When I'm

[Final] **Am**
