Tom: C
Intro: C G D Em (2X)

C G D Em
Let me inside where the stars they won't find everything
C G D
Cramped in a space, it's my kinda race though
Em C G D Em
You're feeling me chase you down

C G
Put on a nicer change of clothes i'm
D Am
Casual inside but no one knows i fall into this craving

Em
And these wonderfully dull days
Am
They all feel so far away
G C D
And i've stretched me skin to the nail

C G D Em C G
But no, way, out from the inside of trains, wreck
D Em C
All we remember, you hope,
G D Em Am C
It's just where we left it through your window pain

C G D Em
All of my definite choices all seem to slap me,
C G D
C G D Em
Feels good at first, you fit nicely without one material thing
C G D
Put on some better tunes you know

Em Am
I'd listen in to hear the best of you cry more, no i'll save

you

Em
And these wonderfully dull days
Am
They all feel so far away
G C D
And i've stretched me skin to the nail
C G D Em C
But no, way, out from the inside of trains
G D Em C
Wreck, all we remember, you hope
G D Em Am C
It's, just where we left it through your window pain

G D Em
Now the hurt just feels fine
C G
Then comes your favorite red wine
D
Now your turning the pages
Em C
Over and over again

C G D Em
No way, out from the inside of trains,
G D C
Wreck, all we remember you hope,
G D Em Am C
It's, just where we left it through your window pain

C G D Em C
But no, way, out from the inside of trains,
Em G D Em C
Wreck, all we remember, you hope,
G D Em Am C
It's, just where we left it through your window pain
Am C
I said through your window pain
Am C
I said through your window pain
