

Malia Flack - A Perfect Chord

tom:

Intro: Em C G D
Em C G D

You and I together make a perfect chord
A flawless harmony
You make me want to sing
And let the world know what's inside of me
Even though I'm scared, of the world out there
Lay aside my fears and leave them here

I won't hold back
I won't back down
I will stand firm
Hold my ground
I'll lift my voice,
Raise my hands
I'm giving everything I am

(Em C G D)
(Em C G D)

Walking through this life we all need a
Shoulder to cry on, friends to rely on
You're one who I'll be
The one I'm meant to be
I don't want to hide
Who I am inside
So I tare down my walls
And give my all

I won't hold back
I won't back down
I will stand firm
Hold my ground
I'll lift my voice,

Raise my hands
I'm giving everything I am

I won't hold back
I won't back down,
I will stand firm
Hold my ground
I'll lift my voice

Raise my hands
I'm giving everything I am

(G D)

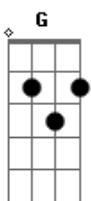

When we make that choice to lift our voice
To the One who brings us life
He puts a fire in us that changes us
And opens up our eyes
Cause we're a light in this world
And we decide to let it shine
Let it shine, let it shine

I won't hold back
I won't back down
I will stand firm
Hold my ground
I'll lift my voice,
Raise my hands
I'm giving everything I am

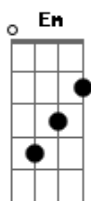

I won't hold back,
I won't back down,
I will stand firm
Hold my ground
I'll lift my voice
Raise my hands
I'm giving everything I am
