

# Mallu Magalhães - I Really Know Boys

Tom: C

Well you don't know my name  
 ? the same  
 but that's alright  
 'cause it was just the first night  
 And you don't know I can sing  
 don't know how happiness I carry  
 but that's alright  
 'cause it was just the first night  
 And I say  
 shalalalala  
 was I another of your toys  
 And I say  
 baby please don't lie  
 'cause I really know boys  
 G Gb F  
 C F G C  
 And you don't know I can sing  
 don't know how happiness I carry  
 but that's ok  
 'cause it was just the first day

But you don't know my name  
 ? the same  
 but that's alright  
 'cause it was just the first night  
 But I say dudubudubaba  
 was I another of your toys?  
 I say  
 baby please don't lie  
 'cause really know boys  
 Papapapapa  
 was I another of your toys?  
 I say  
 baby please don't you lie  
 'cause really know boys  
 And you left me alone  
 didn't walk me home  
 but that's ok  
 'cause it was just the first day  
 And I say shalalalala  
 was I another of your toys  
 I say  
 baby please don't lie  
 'cause I really know boys
