

# Mallu Magalhães - Tchubaruba

C  
After all the week  
In a supposed calm sunday afternoon  
At the moment she could see the moon  
C And when I saw her she was just crying  
Am F Fm  
Under my favorite tree

C E7  
I talked to her and I was trying  
Am F Fm  
To show her what she couldn't see  
C E7  
Behind the flowers in the light she found the sun  
Am F  
Behind the sad I showed her that life is really fun

C E7  
And with some nature together we admire the birds  
Am  
Collected some different leaves  
F Fm  
And we realized how amazing the world is

C E7  
If you come over I'll say tchubaruba  
R Am F  
e And if you are down, yes, I'll say tchubaruba  
r C E7
