

# Mallu Magalhães - Youhuhu

Tom: E

E  
I've arrived in the city where I'm gonna sing,  
If I'm gonna sing, I must take a walk,  
If I take a walk, I'm wathing some people,  
If I'm watching some people

I thing about youhuhu, yeah, yeah, yeah...

There's no one like youhuhu, yeah...

E  
My grandma gave me this little guitar,  
This little guitar has been quiet for a while,  
If it's quiet a while, it needs some new songs,  
If it needs some new songs,

I think about youhuhu, oh yeah...

All I write about is youhuhu, yeah...

O meu dengo e tua manha.

Tua pele não há quem negue,

Cor de quente, coração,

Toda estrela e sol te segue.

A  
Só vou se for com ele,  
Dbm Gb  
Eu tenho medo de avião,

A  
Se eu fico longe dele  
Dbm Gb  
Eu perco o norte e o chão.

A  
Só quero saber dele  
Dbm Gb  
E nada mais importa.

A  
Eu vou ficar com ele,  
Dbm Gb  
Que ele pega a minha mão

A  
E nunca mais me solta.
