

# Mallu Magalhães - Youhuhu

Tom: E

**E**  
I've arrived in the city where I'm gonna sing,  
If I'm gonna sing, I must take a walk,  
If I take a walk, I'm wathing some people,  
If I'm watching some people

I thing about youhuhu, yeah, yeah, yeah...

There's no one like youhuhu, yeah...

**E**  
My grandma gave me this little guitar,  
This little guitar has been quiet for a while,  
If it's quiet a while, it needs some new songs,  
If it needs some new songs,

I think about youhuhu, oh yeah...

All I write about is youhuhu, yeah...

Ai, ai, ai, moreno,  
Desse jeito você me ganha,

Esse teu chamego,  
O meu dengo e tua manha.

Ai, ai ai, moreno,  
Tua pele não há quem negue,

Cor de quente, coração,

Toda estrela e sol te segue.

Só vou se for com ele,  
**Dbm** Eu tenho medo de avião,

**A** Se eu fico longe dele  
**Dbm** Eu perco o norte e o chão.

**A** Só quero saber dele  
**Dbm** E nada mais importa.

**A** Eu vou ficar com ele,  
**Dbm** Que ele pega a minha mão

**A** E nunca mais me solta.
