tom:

Am

Am

Já faz tempo que meu peito fala

Suspirando que é você

Desde aquele tempo se ecoa

Tantos versos pra você

Nem a distância

Nem o medo

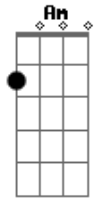

Lá no fundo

Me diz que vai ser

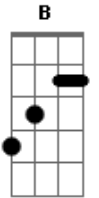

No seu tempo

Não tem jeito

Mas eu pago pra ver

A gente acontecer

Am

Corpos se alinhando

Enfim se entregando

E lança o afeto pra voar

Demos as mãos agora eu posso ir

Mais feliz

Agora eu posso ir

Mais feliz
