

Malvada - Down The Walls

tom:
Bm

Bm
Don?t tell me that you mind

Tell me what it feels like
D E C B
Hypocrisy suits you well

Bm
Don?t need to ask you

About the things that you wanna do
E F D C
Because now I can see your truth

C B
I want a bitter taste
C B
Do your worst
C B D E C B
Show me what's deep inside?

C B
You turn my trust
C B
Into your dirt
C B E F D C
So let me see you cry

Bm A D
I can?t sleep my heart skips a beat
E
I?ll make you break down the walls

Down the walls again

Bm A
I'm the sound, underground
D C
I feel I?ll break down the walls

Down the walls, again

Bm A
Do you know what you did?
D E
I feel I'm breaking down the walls

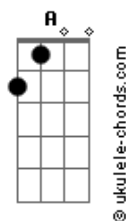

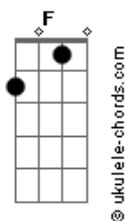

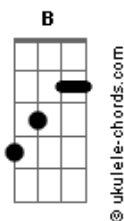

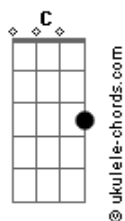

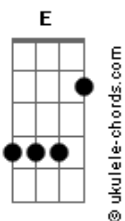

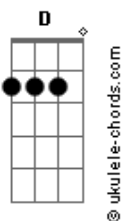

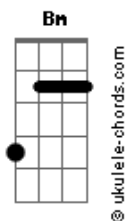

Down the walls, again

Bm A D
Enough of wasting time, it?s the last time
C
Down the walls

Down the walls, again

Bm
Don?t tell me you mind

Acordes

Then I can fake a smile
D E C B
I never really needed yours

Bm
Every note that you wrote, and every line
E F D C
I hope you choke on this

C B
The hunt began
C B
No way out
C B D E C B
I can be your wolf

C B
Never good enough
C B
Way too bad!
C B E F D C
So please go and fuck yourself

Bm A D
I can?t sleep my heart skips a beat
E
I?ll make you break down the walls

Down the walls again

Bm A D
I'm the sound, underground
C
I feel I?ll break down the walls

Down the walls, again

Bm A D
Do you know what you did?
E
I feel I'm breaking down the walls

Down the walls, again

Bm A D
Enough of wasting time, it?s the last time
C
Down the walls
Bm
Down the walls, again

I can?t sleep

My heart skips a beat

I'm the sound, underground

I hope you choke on this, choke on this

Now!
