

# Malvada - Down The Walls

tom:  
Bm

Don?t tell me that you mind

Tell me what it feels like

Hypocrisy suits you well

Don?t need to ask you

About the things that you wanna do

Because now I can see your truth

I want a bitter taste

Do your worst

Show me what's deep inside?

You turn my trust

Into your dirt

So let me see you cry

I can?t sleep my heart skips a beat

I?ll make you break down the walls

Down the walls again

I'm the sound, underground

I feel I?ll break down the walls

Down the walls, again

Do you know what you did?

I feel I'm breaking down the walls

Down the walls, again

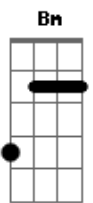

Enough of wasting time, it?s the last time

Down the walls

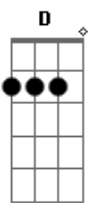

Down the walls, again

Don?t tell me you mind

Then I can fake a smile

I never really needed yours

Every note that you wrote, and every line

I hope you choke on this

The hunt began

No way out

I can be your wolf

Never good enough

Way too bad!

So please go and fuck yourself

I can?t sleep my heart skips a beat

I?ll make you break down the walls

Down the walls again

I'm the sound, underground

I feel I?ll break down the walls

Down the walls, again

Do you know what you did?

I feel I'm breaking down the walls

Down the walls, again

Enough of wasting time, it?s the last time

Down the walls

Down the walls, again

I can?t sleep

My heart skips a beat

I'm the sound, underground

I hope you choke on this, choke on this

Now!
