C Em G
 Couldn't really love you anymore, you've become my ceiling
 C Em G
 I don't think I love you anymore, that gold mine changed you
 C Em G
 You don't have to hold me anymore, our cave's collapsing
 C Em G
 I don't wanna be me anymore, my old man told me

C Em G
 You don't open your eyes for a while, you just breathe that
 moment down
 C D G
 Forty miles out of East Illinois for my old man's heart
 attack

I believed you were crazy
 You believed that you love me

(C Em G C)

C Em G
 I don't wanna bark here anymore, black hills, the colly
 C Em G
 Wasn't really dangerous for us, we just catch you coughing
 C Em G
 What the hell are we gonna do, a black mile to the surface
 C Em G

I don't wanna be here anymore, it all tastes like poison

C Em G
 You can't open your eyes for a while, you just breathe that
 moment down
 C D G
 Forty hours out of Homestake and I'm trying to translate you
 again

I believed you were crazy
 You believed that you love me
 You and me, we're a daydrink
 So lose your faith in me

C Em G C
 Ah-ah ah-ah ah-ah ah-ah ah-ah-ah
 C D G C
 Ah-ah ah-ah ah-ah ah-ah ah-ah-ah
 C D G
 You can't open your eyes for a while, you just beat that
 moment down
 C D G C
 You can't open your eyes for a while, you just breathe

C Em G C
 I believed you were crazy
 You believed that you love me
 You and me, we're a daydrink
 So lose your faith in me
 Lose your faith in me
 Oh lose your faith in me

(C Em G C)
 I believed you were crazy
 You believed that you love me
 You and me, we're a daydrink
 So lose your faith in me
 Lose your faith in me
 Oh lose your faith in me
