

# Mando Diao - Cinderella

Tom: Gb

(com acordes na forma de F )  
Capostrate na 1ª casa

I didn't feed the old umbrella  
I was feeding my old self  
I catch the old spark cinderella  
she was longing for james dean  
She was that high-heeled girl  
which shakes and twirls, and twiggy cigarettes  
And all the papers, they said the queen is dead  
but she just blew my mind  
And so she's dancing at the disco  
with her new pair of shoes  
The guys girls wanna have her  
cause she's looking kind of cute  
The tiny girl is all red  
got money in bed and paper in her mind  
And all the children, they said Cindy is fake  
but she just blew my mind  
A Dm Am Bb F Am Bb

And I don't want no morning lies, no, I just want summer all around  
A Dm Am Bb F Am Bb  
And I don't want no morning lies, no, I just want summer all around
