G Bm
 In a house on an island
 C Am
 There's a tale that must be told
 G Bm
 Of our mysterious Misty Mountains
 C D
 Behind all the songs I wrote
 C D
 Lives an old man in his shadow
 Am C
 And they're whistling day and night
 G Bm
 For whatever whatever its worth for
 C D G
 They are whistling for you and I

G Bm
 On a ranch in the wildness
 C Am
 There's a song that must be sung
 G Bm
 About a blindfolded angel
 C D
 Who never learned the right from wrong
 C D
 And though I don't know enough English
 Am C
 To describe it's troubled mind
 G Bm

But for one thing I am certain
 C D G
 Is that it sings for you and I
 Em Am Em
 And I tried so hard to figure it out
 Am
 But I guess I'm only human
 D
 I've been watching him drawing him
 D7
 Analysing him in every way
 I could possible think of
 G Bm
 But that does not really help me
 C Am
 You got to sit back and enjoy
 G Bm
 You know Ochrasy raised and betrayed him
 C D
 Now he sits there all alone
 C D
 With his soul and his legend
 Am C
 And his epic melodies
 G Bm
 They are with us when we crying
 C D G
 And they are with us when we bleed
 G Bm
 Yes, they are with us when we crying
 C D G
 And they are with us when we bleed
