

Mando Diao - Without Love

Tom: D

Remember all those fights we had
 Maybe they meant nothing to you
 Or were you looking for some action
 Those things I never understood

How many times did you lie to me
 How many times did you say
 It's gonna get better that's for sure my love I promise
 Babe I'll be all right now any day

But it was without love
 No no no without love
 Without love
 No no no without love

When you told me babe it's over now
 I simply did not know what to do
 For you it was an easy thing
 But I just stood there like a fool

Soon you started calling in the evenings
 Your voice was spilling over with regrets
 You said you wanted us to be together
 That all sad memories we should forget

But you said it without love
 No no no without love
 Without love
 No no no without love
 Without love
 No no no without love
 Without love
 No no no without love
 Without love
 No no no without love

You said it without love
 No no no without love
 Oh, without love
 No no no without love
 You said it without love
 No no no without love
 Without love
 No no no without love
 Without love
 No no no without love
