

Mandolin Orange - Hard Traveling

Tom: A
Intro: A D A E Gbm D A E A

Verso:
Way down on Music Row, is there anyone who knows
Who might lend a helping hand,
'cause I could stand a better show
Hard travelin', down the road
I'm feelin' bad boys, I'm feelin' low

Verso:
Well night after night, show after show
So many kind faces, will never know
Hard travelin', down the road
I'm feelin' bad boys, I'm feelin' low

(A D A E Gbm D A E A)

Verso:
Over by the window, laying on the couch
I'll toss and turn a stranger in someone else's house
Hard travelin', down the road
I'm feelin' bad boys, I'm feelin' low
(A D A E Gbm D A E A)

Verso:
Well that whiskey'll never hold you like a dead girl can
When the nights get lonely it can be your only friend
Hard travelin', down the road
I'm feelin' bad boys, I'm feelin' low
I'm feelin' bad boys, I'm feelin' low
