

Mandy Moore - I Could Break Your Heart Any Day Of The Week

Tom: C
Intro: Dm G Dm C

I'll make this painless.
Try to be sweet.
I could break your heart any day of the week.

Squeeze life out of you.
Wrap you in sheets.
I could break your heart any day of the week.

CHORUS:
I could break your heart any day of the week.
Monday, Tuesday, Wednesday.
I'll make you nervous.
Thursday, Friday, Saturday.
Do not you disturb us.
Sunday rolls around- but that's another story.
It gets a little boring.

I hold on to you.
You hold on me
I could break your heart any day of the week.
Intro: Dm G Dm C

Let the walls talk.
Let the floor boards creek.
I could break your heart any day of the week.
Those calendar girls- they got nothing of me.

I could break your heart any day of the week.

CHORUS:
I could break your heart any day of the week.
Monday, Tuesday, Wednesday.
I'll make you nervous.
Thursday, Friday, Saturday.
Do not you disturb us.
Sunday rolls around- but that's another story.
It gets a little boring.

Yeah yeah.
Yeah yeah.
Monday, Tuesday, Wednesday.
I'll make you nervous.
Thursday, Friday, Saturday.
Do not you disturb us.
Sunday rolls around- but that's another story.
It gets a little boring.

DEDILHANDO:
I could turn you on.
I could turn the other cheek.
And it would break your heart any day of the week.
And it would break your heart any day of the week.
I could break your heart any day of the week.
I could break your heart any daay.. eeei of the week.
I could break your heart any day of the week.
