

Mandy Moore - Invisible Ink (Rebecca Pearson Demo)

tom:

[Primeira Parte]

B **E** **B**
People say it's nice to meet me

B **E** **B**
I've studied my reflection

I look me in the eye

But I can't still draw conclusions

Dbm7 **E**
I'm still talkin' out of turn

Now I ask too many questions

Dbm7 **Gb**
About the lessons I will learn

[Refrão]

B **E** **B**
Turns out all my mistakes were forgivable

And the time I spent lost was a sign

That all the ink is invisible

Dbm **Gb** **B**
If you give it, give it enough time

[Segunda Parte]

B **E** **B**
Now I think my eyes are open

I take a deeper dive

B **E** **B**
When I feel the blues around me

That's when I come alive

B **Dbm**
When it starts to feel too lonely

Dbm7 **E**
When it's out of my control

When the world goes on without me

Dbm7 **Gb**
Will I feel it take its toll

[Refrão]

B **E** **B**
Turns out all my mistakes were forgivable

And the time I spent lost was a sign

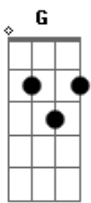

That all the ink is invisible

Dbm **Gb** **B**
If you give it, give it enough time

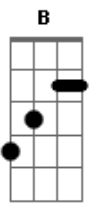

If I give it, give it enough time

Just give it time
