

# Mandy Moore - Invisible Ink (Rebecca Pearson Demo)

tom:

[Primeira Parte]

G

**B** **E** **B**  
People say it's nice to meet me

**B** **E** **B**  
I've studied my reflection

**E**  
I look me in the eye

**Dbm**  
But I can't still draw conclusions

**Dbm** **E**  
I'm still talkin' out of turn

**Dbm**  
Now I ask too many questions

**Dbm** **Gb**  
About the lessons I will learn

[Refrão]

**B** **E** **B**  
Turns out all my mistakes were forgivable

**E** **B**  
And the time I spent lost was a sign

**E** **Abm**  
That all the ink is invisible

**Dbm** **Gb** **B**  
If you give it, give it enough time

[Segunda Parte]

**B** **E** **B**  
Now I think my eyes are open

**E**  
I take a deeper dive

**B** **E** **B**  
When I feel the blues around me

**E**  
That's when I come alive

**B** **Dbm**  
When it starts to feel too lonely

**Dbm** **E**  
When it's out of my control

**Dbm** **Dbm**  
When the world goes on without me

**Dbm** **Gb**  
Will I feel it take its toll

[Refrão]

**B** **E** **B**  
Turns out all my mistakes were forgivable

**E** **B**  
And the time I spent lost was a sign

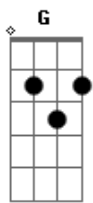

**E** **Abm**  
That all the ink is invisible

**Dbm** **Gb** **B**  
If you give it, give it enough time

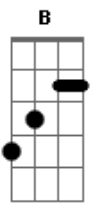

If I give it, give it enough time

Just give it time
