(intro) G G G G

G C
There is part of me that wants an answer
Em C
And part of me that doesn't want to know
G C
Part of you that I am in love with
Em C
And the part that I am willing to let go

G C
This is a delicate unraveling
Em C
Now and then I find pieces on the floor
G C
Tiny little bits that tell me
Em
Maybe I shouldn't do this
C
Or love you anymore

Em C
Someone's gonna have to fess up
G C
Someone's gonna have to clean this mess up

(refrão)

G
'Cause I wanted you the first time
C
And I loved you from the second
Em C
And I don't know how that ever goes away
G
As far as I can tell
C
You're really good at talking
Em
So I think it's time you let me know
C
I'm just your latest mistake

G)

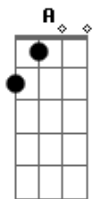

G C
I wonder what will make you happy
Em C
I wonder what you'll do with it all
G
I have a map in my head
C
Somehow still don't understand
Em
Why I always have to miss you
C
Why I have to make the call
Em C
Someone's gonna have to step up
G C
Someone's gonna have to clean this mess up

(refrão)

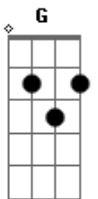

Em
Before you drive me away
C
Take a good look at me, baby
G C
Picture me not lying on your couch
Em
Well, I wish the best for you
C
Everytime you go thru this
G C
Before you finally figure it out

G
That I wanted you the first time
C
And I loved you from the second
Em C
And I don't know how that ever goes away
G
As far as I can tell
C
You're really good at talking
Em C
So I think it's time you let me know, yeah
Em C
I think it's time you let me know
G C
I'm your latest, I'm your latest mistake
