

Mandy Moore - Love You For Always

Tom: C

One, two, three, four
Intro: Dm C G Dm Am

One, two, three, four

Boy, I want to be where you are.

Don't matter if you're near or you're far.

You fill up my heart all the way to the top,
And it's you, I'm loving for always.

Catch me, I'm a shooting star.

Make a wish, close your eyes, cross your heart.

Your love is so rare,

And I'm glad that you're here in my arms.

I'll love you for always.

Dreaming of you tonight,

Praying that you will be mine.

Hoping you'll be holding me tight.

Never ever letting me go,

I need you to know...

One, two, three, four

You came into my life,

Made everything go right,

So sweet and tenderly

Unlock my love, you've got the key.

Ooh, I'm so satisfied.

This kind of love I just can't hide.

I'm gonna love you for always.

I'm gonna love you (love you, love you, love you)
Yeah...

Took my heart for a carousel ride.

Made me feel brand new inside.

When I'm with you,

All that I seem to do is smile.

Boy, I'm floating on a cloud,

Wanna scream and shout it out loud.

I found amazing grace in your eyes and your face.

I'm in love with you for always.

Dreaming of you tonight,

Praying that you will be mine.

Hoping you'll be holding me tight.

Never ever letting me go,

I need you to know.

You came into my life,

Made everything go right,

So sweet and tenderly,

Unlock my love, you've got the key.

Ooh, I'm so satisfied,

This kind of love I just can't hide.

I'm gonna love you for always.

I'm gonna love you for always.

I'm gonna love you for always, it's true.

I'm gonna love you for always.

I'm gonna love you

For always.
