

Mandy Moore - Slummin In Paradise

Tom: **G**

(intro) **D**

(verse 1)

D
I'm a long way off, but still around,
G **A**
Sitting on the couch, i'm watching you.
D **Bm**
And if i take my time, all the others give in,
G **A**
And you feel like you're standing in line.

Bm
I just know that you're worth the wait,
E
It's of no concern,
Bm
It's a risk i'd gladly take.
E
From time to time.

(chorus)

D
So, don't worry about yourself at all,
Bm
I'll hang your work up on my wall,
A **G**
Hose you down and dress you up real nice.
D
With some brand new plans and a fancy car,

Bm

Try to place your superstar,
A **G**
You can tell the story of your life,
D
Without slummin' in paradise.

(verse 2)

D **Bm**
I wonder how you feel, or do i?
G **A**
Standing on the corner, how's your view?

Bm **E**
From the other side, of mr. right.
Bm **E**
See, it's not a pretty sight alone.

(repeat chorus)

(bridge)

D
You won't often see this letter,
Bm
Handed over right away.
A **G**
I know the first time i found you wonderful.

(repeat chorus)

(outro 2x) **D Bm A G**
