

Mandy Moore - Someday We'll Know

Tom: E

Abm Dbm A
Ninety miles outside Chicago.
Abm Dbm A B
Can't stop driving, I don't know why.
Abm Dbm A B
Too many questions, I need an answer.
Gbm B
Two years later, you're still on my mind.

Abm Dbm A
Whatever happened to Amelia Erhart?
Abm Dbm A B
Who holds the stars up in the sky?
Abm Dbm A
Is true love just once in a lifetime?
Gbm B
Did the captain of the Titanic cry?

Ohh...

Chorus:
Abm Dbm
Someday we'll know,
A
If love can move a mountain?
Abm Dbm
Someday we'll know,
A B
Why the sky is blue?
Abm Dbm
Someday we'll know,
Gbm B
Why I wasn't meant for you?

Abm Dbm A
Does anybody know the real atlantis?
Abm Dbm A B
Or what the wind says when she cries?
Abm Dbm A
I'm speeding by the place that I met you.
Gbm B
For the ninety-seventh time...

Tonight...

Chorus:
Abm Dbm
Someday we'll know,
A B
If love can move a mountain?
Abm Dbm
Someday we'll know,
A B
Why the sky is blue?
Abm Dbm

Someday we'll know,
Gbm B
Why I wasn't meant for you?

Yeah, yeah, yeah, yeah...

Abm Dbm
Someday we'll know,
A B
Why Sampson loved Delilah?
Abm Dbm
One day I'll go
A B
Dancing on the moon
Abm Dbm
Someday you'll know
Gbm B
That I was the one for you...

Abm Dbm A
I wanna take you to the end of the rainbow
Abm Dbm A B
Watch the stars crash in the sea
Abm Dbm A
If I could ask God just one question
Gbm B
Why aren't you here with me?...

Tonight...

Chorus:
Abm Dbm
Someday we'll know,
A B
If love can move a mountain?
Abm Dbm
Someday we'll know,
A B
Why the sky is blue?
Abm Dbm
Someday we'll know,
Gbm B
Why I wasn't meant for you?

yeah, yeah, yeah, yeah

Abm Dbm
Someday we'll know
A B
Why Sampson loved Delilah?
Abm Dbm
One day I'll go
A B
Dancing on the moon
Abm Dbm
Someday you'll know

That I was the one for you....
