

Mandy Moore - Turn The Clock Around

Tom: A

(com acordes na forma de G)
 Capotraste na 2ª casa
 (capo 2ª casa)

(intro) G C G C

(verse 1)

We were talking to each other 'til dawn
 You put your arms around me and you asked me what was wrong
 I tried to be so serious, you smiled and played along
 You were leaving town tomorrow, yeah tomorrow you'd be gone

(G C G C)

(verse 2)

We must have had the stars above and heaven on our side
 'cause we fell in love before we even made it through the night
 But you were leaving town, to start another kind of life
 You walked me to the door and we tried to say goodbye

(refrão)

Maybe i've never found the right way
 I kept my love hidden underground
 Baby i wish that there was some way
 That i could turn the clock around

(G C G C)

(verse 3)

G C

But i couldn't sleep, i called up everybody that i knew
 All my friends said that i'd be crazy if i waited 'round you
 I wanted to believe then so i called to say we're through
 But when i heard your voice, it nearly broke my heart in two

(refrão)

Maybe i've never found the right way
 I kept my love hidden underground
 Baby i wish that there was some way
 That i could turn the clock around

(G C G C)

(bridge)

Don't say you're gone, i'll find you
 someday...

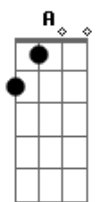

(verse 4)

Well i jumped into my car but as i headed down the road
 I knew that when i got there, there might be nobody home
 You had gone away forever, and you left me all alone
 Now i was on my own
 (refrão)

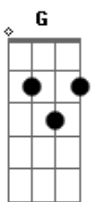

(no chords)

Maybe i've never found the right way
 I kept my love hidden underground
 Baby i wish that there was some way
 That i could turn the clock around
