

# Mandy Moore - You're The One

Tom: Eb

You're the one,  
 You set me free,  
 When you're close to me,  
 All that I do is think about a way,  
 To make you stay with me.  
 Baby, I'm falling apart  
 'Cause you know the way to my heart.  
 Oh baby,  
 I knew it the moment you looked in my eyes,  
 My life was in your hands.  
 You changed me completely,  
 Now, you say you wanna let go of the love we have.  
 I just don't wanna lose you again.  
 Baby, I want you to know, know that...

You're the one,  
 You set me free,  
 When you're close to me,  
 All that I do is think about a way,  
 To make you stay with me.  
 Baby, I'm falling apart  
 'Cause you know the way to my heart.

Oh baby,  
 If only you could see the way that I feel about you,  
 'Cause I need you beside me.  
 Is there anything I can say before you walk away?  
 Baby, you're the one.  
 You set me free.  
 When you're close to me,  
 All that I do is think about a way,  
 To make you stay with me.  
 Baby, I'm falling apart  
 'Cause you know the way to my heart.

I just don't wanna lose you again.  
 Baby, I want you to know, know that...

You're the one,  
 You set me free,  
 When you're close to me,  
 All that I do is think about a way,  
 To make you stay with me.  
 Baby, I'm falling apart  
 'Cause you know the way to my heart.

What am I gonna go?  
 No I just can not live, I can't breath  
 Without you (without you).  
 I want you back in my life,  
 And I wanna set things right,  
 You know the way to my heart.

Baby, you're the one.  
 You set me free.  
 When you're close to me,  
 All that I do is think about a way,  
 To make you stay with me.  
 You know the way to my heart...(You're the one.)  
 You set me free.  
 When you're close to me,  
 All that I do is think about a way,  
 To make you stay with me.  
 Baby, I'm falling apart  
 'Cause you know the way to my heart.
