

Manhattans - Kiss And Say Goodbye

Tom: **A**

(**A** **E7**)

This has got to be the saddest day of my life
I called you here today for a bit of bad news
I won't be able to see you anymore
Because of my obligations, and the ties that you have
We've been meeting here everyday
And since this is our last day together
I wanna hold you just one more time
When you turn and walk away, don't look back
I wanna remember you just like this
Let's just kiss and say goodbye

I had to meet you here today **E7**
There's just so many things to say **A**
Please don't stop me 'til I'm through **E7**
This is something I hate to do **A A A A A A A**
We've been meeting here so long **D**
I guess what we've done, oh was wrong **A**
Please darlin', don't you cry **E7**
Let's just kiss and say goodbye (Goodbye!) **A A A A A A A**

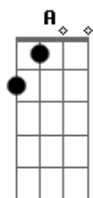

Many months have passed us by **E7**

I just think this is the thing to do

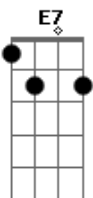

It's gonna hurt me, I can't lie **D**
