

Maninho - Pescador

Tom: A

(intro) A E7

Mais qual é o meu caminho, qual a direção

E qual é o meu destino, minha vocação

Carregar tua palavra, qualquer direção

E chamar outras almas, em outros mares pescar

Pescador tal como Pedro, pedra quero ser

Entregar-te minha vida, quero renascer

E mostrar a cada irmão, que o real viver

Está dentro de nos, quando cremos no pai

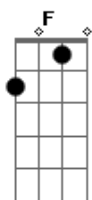

A tua luz é o que vejo, o caminho a brilhar
 A tua face contemplo, quero a rede lançar

A tua luz é o que vejo, o caminho a brilhar
 A tua face contemplo, quero a rede lançar

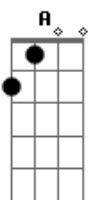

Sou pescador de homens, venha comigo te ensino a pescar
 Afasta tua barca da margem, e lança a tua rede ao mar
 A fé que trás essa fartura é a mesma que te mostrará
 Que há famintos pelo mundo, e só tu podes saciar
