

Mara Lima - Planeta Terra

Tom: C

Intro: C Eb Db Eb C Ab Gb Ab C

Em Am Dm G C7 Am Dm7 G
Adeus, adeus, adeus, adeus

Você já parou

Para pensar na vinda de Jesus

Se não o fez

Quero lembrar

Que Cristo voltará

Limpa tuas vestes

No sangue de Cristo

Lança fora as mágoas

Do teu coração

Pode ser hoje o arrebatamento

Te prepara irmão.

Adeus planeta terra, Adeus

Eu me despeço

Pois a qualquer hora

Tenho que partir

Adeus, adeus,

Preparados estamos

Para muito breve

com Jesus subir

Intro: DUÇÃO C Em F G C

Venha fazer parte

Desta fileira

Que vai para o céu

Somos herdeiros

Mas breve iremos

Para além do véu

Hoje te convido

Para uma festa

No país dos santos

Reino de luz

Venha depressa

Pois pode ser hoje

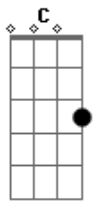

A volta de Jesus

Adeus planeta terra, adeus...

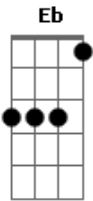

Adeus planeta terra, adeus...

A...A...A...Adeus.
