

Mara Marques - How To Break Up

tom: G

As you talk I'm not here
I don't give a damn about it

I wish I could fall for you

But we're not even closer

And I apologize

But you don't deserve it

You're a good guy

I think you're smart and funny too

So wait for truly love

Uh uuhhh wait for truly love

I don't have time to myself
You have nothing to do about it
You should find somebody else
Someone who really cares about

Cause I know you deserve
Someone to love

Someone who loves you back
Sorry this won't be us
Uh uuhhh this won't be us

As you talk I'm not here
I don't give a damn about it

I wish I could fall for you

But I won't

Acordes
