

# Marc Ferr - In The Darkened Room

Tom: G  
Intro: Em7 C D C Em7

Solo:

In a darkened room  
Beyond the reach of god's faith  
Lies the wounded, shattered remains of a love betrayed  
And the innocence  
Of a child is bought and sold  
In the name of the damned  
The rage of the angels left silent and cold

Pré-Refrão:

Forgive me please  
For what I know not what I do  
How can I keep inside  
The hurt I know is true?

Refrão:

Tell me when the kiss  
Of love becomes a lie  
That bears the scars of sin too deep  
To hide behind this fear of running unto you

Please let there be light

In a darkened room

Solo do refrão:

(Em7 C D C Em7 )

All the precious times have been put to rest again  
And the smile of the dawn  
Brings tainted lust singing my réquiem

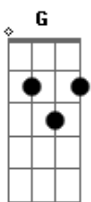

Can I face the day when I'm tortured in my trust  
And watch it crystallize  
While my salvation it crumples to dust

Why can't I steer the ship before it hits the storm  
I've fallen to the sea but still I swim for shore

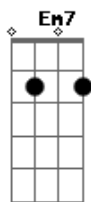

Refrão:

Tell me when the kiss  
Of love becomes a lie  
That bears the scars of sin too deep  
To hide behind this fear of running unto you  
Please let there be light  
In a darkened room
