

# Marc Sway - Non Non Non

tom:

Intro: G

A weekend walk that never ends  
 All along the river sand  
 Sunny days are here to stay  
 Ever since you looked my way  
 Only been a week or so  
 Time enough for love to grow  
 But the fateful morning came  
 The final kiss, the Paris rain

I'm wide awake, I dream of you  
 I can't go on with love so blue

Non, non, non chérie  
 No I don't think I'll live another day  
 Non, non, non merci  
 Not as long as my love is away  
 Non, non, non chérie  
 I won't sleep until you're here with me  
 Non, non, non merci  
 Ohh

I once loved and lost before  
 With all the doubt, wouldn't love no more

Then an angel came to me  
 You found me on Romantica Hill  
 Filled my heart with love so real  
 Love can bring and take away  
 The pain it seems is here to stay

I'm wide awake, I dream of you  
 I can't go on with love so blue

Non, non, non chérie  
 No I don't think I'll live another day  
 Non, non, non merci  
 Not as long as my love is away  
 Non, non, non chérie  
 I won't sleep until you're here with me  
 Non, non, non merci

I cannot go on with love so blue

Non, non, non chérie  
 No I don't think I'll live another day  
 Non, non, non merci  
 Not as long as my love is away  
 Non, non, non chérie  
 I won't sleep until you're here with me  
 Non, non, non merci  
 Non non non non oh

Wide awake I dream of you  
 But I cannot go on with love so blue  
 Non, non, non chérie  
 A lonely darkness 'til you're here with me  
 Non, non, non chérie  
 Non non non non oh

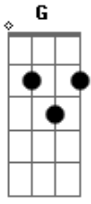

Non, non, non chérie  
 No I don't think I'll live another day  
 Non, non, non merci  
 Not as long as my love is away  
 Non, non, non chérie  
 I won't sleep until you're here with me  
 Non, non, non merci  
 I cannot go on with love so blue  
 Non, non, non chérie  
 No I don't think I'll live another day  
 Non, non, non merci  
 Not as long as my love is away  
 Non, non, non chérie  
 I won't sleep until you're here with me  
 Non, non, non merci  
 Oh, wide awake I dream of you oh  
 Non, non, non chérie  
 Without you I don't know what I'll do  
 I'll never find another love like you  
 Non, non, non chérie  
 Without you I don't know what I'll do  
 Non, non, non merci  
 I'll never find another love like you

Em

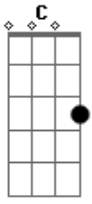

C

Non, non, non chérie
