

# Marcello Lopes - Do Amor

Tom: F  
Intro: A7

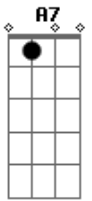

Do amor  
Ficou o pingente do meu cordão  
E as cartas guardadas na solidão  
Sem coração  
Uma revolta, uma agonia  
Cadê a noite, cadê o dia ?  
Tudo sumiu sem explicação  
Não quero doses pra esquecer

Nem tristezas que me levem a você  
Nem corda bamba  
Nem segundos de prazer  
Pela nova estrada  
Vou caminhando sem entender  
Que mal eu fiz pra merecer  
O gelo desse olhar  
Universo resumido  
Sonho perdido e falido  
Só conversa pra chorar
