

Marcello Lopes - Do Amor

Tom: F
Intro: A7

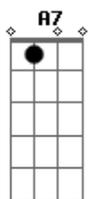

Do amor
Ficou o pingente do meu cordão
E as cartas guardadas na solidão
Sem coração
Uma revolta, uma agonia
Cadê a noite, cadê o dia ?
Tudo sumiu sem explicação
Não quero doses pra esquecer

Nem tristezas que me levem a você
Nem corda bamba
Nem segundos de prazer
Pela nova estrada
Vou caminhando sem entender
Que mal eu fiz pra merecer
O gelo desse olhar
Universo resumido
Sonho perdido e falido
Só conversa pra chorar
