

Marcelo Barra - Noites Goianas

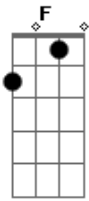

Tom: F

Tão meigas, tão claras, tão belas, tão puras
 Por certo não há
 São noites de trovas, de beijos e juras
 As noites de cá

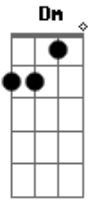

Nice, em Lisboa, na Itália famosa
 Tais noites não há
 São noites somente da pátria formosa

Do índio Goyá
 As noites goianas são claras, são lindas
 Não temem rivais
 Goianos, traduzem doçuras infindas
 As noites que amais
 São noites somente da pátria formosa
 Do índio Goyá
