

# Marcelo Cavalcante - Esparsa

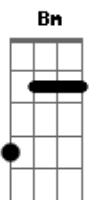

tom:

**Bm**

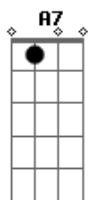

Na nuvem esparsa se faz a fumaça **Bm** **A7**  
 Enquanto enquadrado a face na tela em que passa **G7** **Gb7**  
 No corpo cheio do whisky vazio **Bm** **A7**  
 Na noite sombria da guerra em que cala **G7** **Gb7**  
 Do gosto à vida que sana a ferida **Bm** **A7**  
 Da gente unguida, do pecado à farsa **G7** **Gb7** **Gb**  
 Que a mente ultrapassa **Bm**  
 No novo, o medo, na vida, receio **G** **Ab** **D** **Gb**  
 O raso, sem fundo, no plano, o mundo **G** **Ab** **D** **Gb7**  
**Dbm7** **Gb7** **Bm** **A7**  
 Não vou mais saber de solidão **G** **Bb**  
 Sei o tanto que esperei

**Bm** **A7**  
 Cintila a vidraça nas pernas da garça **G7** **Gb7**  
 A foto é um disfarce e a vista embaça **Bm** **A7**  
 Cortada ao meio tremendo de frio **G7** **Gb7**  
 A avenida assovia no canto da sala **Bm** **A7**  
 No rosto a isca aponta a saída **G7** **Gb7** **Gb**  
 Na corda roída que o diabo esgarça **Bm**  
 Incêndio sem fumaça **G** **Ab** **D** **Gb7**  
 No novo, o medo, na vida, receio **G** **Ab** **D** **Gb7**  
 O raso, sem fundo, no plano, o mundo **Dbm7** **Gb7** **Bm** **A7**  
 Não vou mais saber de solidão **G** **Bb**  
 Sei o tanto que esperei **B7**  
 Em vão
