

# Marcelo Dunai - Flutuando Com As Estrelas

tom:

Intro: F7 Am G  
 F7 Am  
 Tudo parecia tão frio  
 Desde que meu mundo caiu F7  
 Isolado e vazio Am  
 Me tranquei e encurtei o pavio F7  
 Esbarrando pelos cantos Am  
 Flutuando com as estrelas F7  
 Ouvindo vozes me chamando Am  
 F7

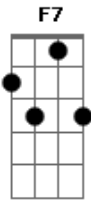

Ignorando minhas certezas

D Am  
 Entrei na orbita do seu olhar  
 C F7  
 Te encontrei pra me achar  
 D Am  
 Igual a lua reflete no mar  
 C F7  
 Eu fico a noite a te esperar  
  
 D Am  
 Entrei na orbita do seu olhar  
 C F7  
 Te encontrei pra me achar  
 D Am  
 Igual a lua reflete no mar  
 C F7  
 Eu fico a noite a te esperar  
 [Final] F7 Am
