

Marcelo Markes - Santo Espírito

Tom: G
Intro: G C Em C

Santo espírito vem me consolar,
Santo espírito vem me socorrer

Quando fraco estou a tua mão vem me sustentar, o teu espírito
Logo vem e me faz repousar
Santo espírito vem me consolar,

Santo espírito vem me socorrer
Quando fraco estou a tua mão oh vem me sustentar

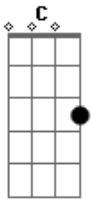

REFRÃO

Me faz repousar em teu colo e me alegrar com os teus abraços
Toda amargura e dor não resistirão pois nada poderá abalar
minha adoração.
