

Marcelo Nova - Batalhões de Estranhos

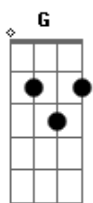

Tom: G
Intro: Bbm Cm

(Bbm Cm)
Nua e crua para as pessoas da rua
Uma idéia sublime para a prevenção do crime
(Bbm Cm)
Observe e informe aos homens de uniforme
Eles chegam por via aérea, sentinelas de nossa miséria

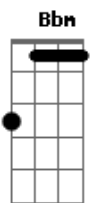

A G C A

Mas eles vêm e vão com a força de quem arrasa
Eles vêm e vão enquanto nós ficamos em casa
(Bbm Cm)
Patrulham com intensidade os quatros cantos da cidade
Proíbem qualquer mudança, zelando pela segurança
(Bbm Cm)
Não dê crédito aos rumores de que há ódio, temor e dores
Só empurre a porta e abra, entre nessa dança macabra
(Bbm Cm)
