

Marcelo Paes Barreto - Sincretismo

tom: G

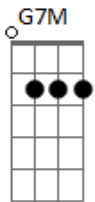

São jorge guerreiro
 Abra meus caminhos, me afaste do mal
 Dessa gente que só pensa pra trás
 Liberte em mim, a força
 De transformar a dor em paz
 A tua luz arrebatou meu peito
 Vem me conduzir, oh meu santo guerreiro

Eu andarei vestido e armado
 Com as armas de ogum
 Quem quiser encarar, acho bom manejar
 Eu vou rodar, na lua cheia
 De espada e capa vermelha
 Para oferecer inhame, dendê
 Bamberê, atabaque
 Para oferecer inhame, dendê
 Bamberê, atabaque
