

Marcia Mah - Odoiá

tom:

Intro: Em G Am C7 B7

Me chama, me adivinha
 Ao me ver no meu próprio sonho
 Mergulhado em desejos
 Vou meu bem sem receios

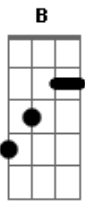

Quisera estar além, quisera meu bem

Marejar minha alma

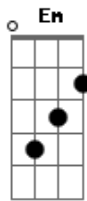

Inundar meu pranto
 No oceano que jorra dos teus seios

Até o fim, até enfim ser só sentimento
 Vagar nas ondas do mar
 Que embala o canto de Iemanjá
 Vagar nas ondas do mar
 Que embala o canto de minha Odoiá
