

Márcia Novo - Por Nós

Tom: Gb

m

Amazônia terra sem lei
 Terra sem pai, sem mãe
 Terra de milhões de índios dizimados
 Tudo acabado!
 O verde se mudou daqui

O verde se mudou daqui

E nem tão preservada assim

Água potável já falta aqui

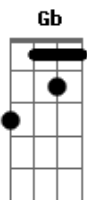

Milhões e milhões em hidrelétricas
 Não mata a sede de um curumim
 Antes tinha um rio, agora tem lago na mata fechada

Pelos Tupi, pelos Guarani
 Pelos Caiapó, pelos Caxinauá
 Pelos Macuxi, pelos Borari
 Pelos Carajá e Tupinambá

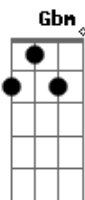

Por Cantareira, Belo Monte e Pororoca

Por Cantareira, Belo Monte e Pororoca
